WORKFORCE SOLUTIONS SOUTH PLAINS MOBILE UNIT

The Workforce Solutions South Plains Mobile Unit has served more than 100 job seekers in the rural area of the South Plains Region since its launch in May of 2016. Workforce Mobile Unit Staff offer a variety of services, including staff-guided job search via the Work in Texas system, aid with resume and cover letter preparation, and providing information about available job training opportunities through Workforce Solutions South Plains. Workforce Mobile Unit Staff also provide known resource information for various organizations throughout the South Plains Region upon request. The Mobile Unit is accessible for individuals with disabilities and it provides internet, printing, and copying services to participants.
