Introduction

We appreciate your interest in providing services for residents of the South Plains Region. This Request for Proposals (RFP) includes the information necessary for eligible offerors to submit a responsive proposal. To facilitate the development of proposals, offerors will have an opportunity to attend and ask questions at a pre-proposal conference and to submit questions during the question-and-answer period. Our goal is the optimal selection of service provider(s) to serve residents of the South Plains Workforce Development Area.

Background

The South Plains Regional Workforce Development Board d.b.a. Workforce Solutions South Plains (herein referred to as “Workforce Solutions” or “the Board”) is a 501(c)(3) non-profit corporation. The Board administers workforce development programs for the South Plains Workforce Development Area (WDA) in accordance with the Texas Administrative Code Title 40, Part 20, the Texas Government Code Chapter 2308, and applicable legislative authority pertaining to workforce center systems, operations and programs. The South Plains WDA consists of a 15-county mostly rural region with a total population of 432,547¹ persons. Counties we serve include Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry and Yoakum Counties. The region includes the Lubbock Metropolitan Statistical Area (MSA) comprised of Lubbock, Crosby and Lynn Counties. More information about the South Plains Region and the Board’s Vision, Mission and Goals is available from the [Board's Strategic Plan](#), the Labor Market and Economic Profiles for the [Lubbock MSA](#) and the [South Plains WDA](#).

The focal point of the local workforce delivery system is a network of one-stop career centers that provide convenient access to a broad array of programs and services funded by various state and federal sources and administered by the Board. The Board currently maintains five career centers located in Brownfield, Levelland, Lubbock, Muleshoe, and Plainview. More information regarding these programs and services can be gained by visiting the [Board website](#). Additional information regarding governing rules, regulations, and laws pertaining to the operations of one-stop centers and delivery of these services is available from the Texas Workforce Commission (TWC) via the links below:

- [Workforce Innovation & Opportunity Act \(WIOA\) Program for Youth, Adults and Dislocated Workers](#);
- [Temporary Assistance to Needy Families \(TANF\)/Choices](#);
- [Non-Custodial Parent Choices \(NCP\)](#);
- [Supplemental Nutrition Assistance Program Employment and Training \(SNAP E&T\)](#);
- [Trade Adjustment Assistance \(TAA\)](#);
- [Employment Services \(ES\)](#), including services of [WorkinTexas.com \(WIT\)](#);
- [Rapid Reemployment \(RR\) Services](#); and,
- [Child Care Service \(CCS\)](#).

In addition to the programs listed above, the Board seeks out discretionary funding opportunities and administers various discretionary grants and special projects as the opportunities arise. All grants and contracts are administered in compliance with the [TWC Financial Manual for Grants and Contracts \(FMGC\)](#) and other laws, regulations & standards for TWC-Funded Grant Contracts such as the [Texas Uniform Grant Management Standards \(UGMS\)](#). Offerors are expected to be knowledgeable of all

applicable federal state and local laws, rules, regulations and policies. *Such knowledge should be evident in the quality of the proposal submitted in response to this RFP.*

Purpose of this Request for Proposals

Through this competitive RFP process, the Board is soliciting proposals from qualified entities to manage and operate workforce services. Eligible offerors are invited to submit a proposal for the service components described below.

Child Care Services (CCS): The service provider will directly manage the primary functions of Client Services and Provider Management including personnel authority for all staff engaged in the provision of services. Management of the CCS Program will include the coordination and day-to-day direction of CCS program staff that are located within the centers. The service provider will be required to coordinate recruitment, eligibility determination and co-enrollment at Workforce Solutions Career Centers. Key objectives include:

- a. Providing families an expanded choice of high-quality, accessible and affordable child care arrangements;
- b. Providing local communities, a focal point for the coordination of services to families and children;
- c. Providing families an identifiable source of child care information and assistance; and,
- d. Providing child care providers with the information and resources needed for quality improvement.
- e. Administering Quality Funding

Board Standards

The selected contractor(s) will be responsible for having technical, managerial, and administrative competencies and capabilities in all areas necessary to ensure programmatic and fiscal management systems are implemented efficiently and effectively to meet or exceed all applicable performance outcomes of the program(s) *and* will have the financial resources and stability to meet high standards of public and fiduciary responsibility. Successful contractors will demonstrate in their proposals that they possess these capacities.

In addition to meeting the requirements of program law, the selected contractor(s) will be expected to meet standards for quality customer outcomes for program services. These standards are identified in the section of this RFP pertaining to the specific service component for which an offer is being submitted.

Potential Management Structure, Design and Service Delivery Arrangements

The Board seeks proposals from eligible offerors with expertise and a proven record of accomplishment in the management and delivery of services similar in nature and scope to those described in this RFP. We welcome proposals that incorporate innovative or creative service delivery arrangements to find the most efficient and cost-effective means of delivering workforce services in the South Plains WDA. This solicitation does not limit offerors to a management structure or specified service delivery approach or method. The solicitation is open to any appropriate management design and to a wide variety of organizations or individuals, including large and small companies, partnerships, nonprofit organizations, joint ventures, individual project managers, governmental entities, etc. Potential arrangements are described below merely for the convenience of prospective offerors:

- ✓ Individual Managing Director: Under this approach, an individual is proposing to serve as an independent contractor to the Board. The individual will be responsible for the management and

operations of the system including management of all related personnel and will have all personnel authority.

- ✓ **Management Team:** Under this approach, a collaboration of individuals or a team of individuals currently associated with an established organization proposes to contract to provide the entire management function including management of all related personnel. The team can be proposed from an established organization or be newly formed with the intent of establishing a legal entity. The management team might also elect to use a Personnel Employer Organization (PEO) to handle staffing and payroll services. The Management team will have responsibility for all related personnel and will have all personnel authority.
- ✓ **Organization:** Under this approach, an organization proposes a turnkey operation which would include direct employment of personnel and will have all personnel authority.

The individual(s) designated to provide top-level local management for program operations (i.e. the managing director) will need to be identified in the service proposal(s). Proposals should include a resume that demonstrates substantial experience and expertise to include at least 10 years of senior management experience in workforce development systems, employment training programs, job development, economic development or social services.

Available Funding

The chart below represents FY2020/PY2019 allocations for the South Plains Board Area. This information is provided for the offeror's use in preparing a proposal budget, but allocations are subject to change for FY2022 and beyond.

Federal and State Funding Source	Program Allocation FY2020/PY2019
Child Care Services Formula Allocation	\$11,184,239

Participant Numbers Served

The Board is interested in seeing proposals that offer to increase/enhance services while maintaining or improving the cost-effectiveness of service offerings for a greater return-on-investment.

Contract Type

1. Any contract resulting from this procurement will be a cost-reimbursement contract. The selected contractor will be reimbursed for allowable actual service delivery costs. The actual amount of a contract award will be based on the proposed budgets, availability of funds, and standards for the use of public funds (i.e. all costs must be reasonable and necessary to carry out the planned functions, must be allowable, and must be allocable to the proper grant/cost categories). Contractors will be expected to have the financial resources or the ability to obtain financial resources sufficient to meet their cash flow needs for a minimum of a four to six- week period. There will be no cash advances allowed under a contract resulting from this RFP.
2. The initial contract(s) will be for a period of one year, beginning October 1, 2022, and ending September 30, 2023. Contract(s) may be extended for a one-year period on an annual basis at the discretion of the Board for up to three additional years based on satisfactory performance or other factors as determined by the Board. In the event a contractor fails to perform as required, the Board reserves the right to terminate a contract early with a failing or non-compliant contractor and assign a contract in whole or in part to another successfully performing contractor(s) obtained through this procurement, subject to successful contract negotiations.
3. The Board may periodically expand the scope of the contract to include other workforce programs, funding or requirements that the Board deems necessary and appropriate. Changes to the scope of

work and/or resultant contract(s) shall be subject to the availability of funds, successful contract negotiations, applicable procurement standards, and the laws, rules, regulations and policies governing the programs funded under this RFP.

4. The Board reserves the right to withdraw or reduce the amount of an award or to cancel any contract or agreement resulting from this RFP if adequate funding is not received by the Board from the Texas Workforce Commission or other funding sources or due to legislative changes.

Fiscal Parameters:

1. Not all allocated funds will be contracted to successful offerors. A portion of all funds will be held by the Board to cover its own operating expenses. The Board may also elect to holdback a portion of all program funds (10-15%) for local initiatives and special projects to be determined by the Board of Directors. In addition, a portion of all funds will be held by the Board to cover costs associated with the following services provided by Board staff. Costs associated with the services listed below are NOT to be included in proposal budgets.
 - a. Fiscal administration to include preparation of drawdowns, summary monthly expenditure reports and grant close-out documents to TWC on Board contracts and reimbursement to contractor(s) for allowable expenditures;
 - b. Oversight to include technical assistance and serving as liaison with TWC/U.S. DOL;
 - c. Programmatic and fiscal monitoring (not to include internal monitoring);
 - d. Management of all facility leases and facility maintenance.
 - e. Management and maintenance of all IT equipment, hardware and software and related systems;
 - f. Management and maintenance of utilities, communications and connectivity;
 - g. Management and maintenance of the billing and payment system for Child Care Services.
2. To be responsive, proposal budgets should include management and operational costs only (i.e. personnel and related costs). Costs associated with direct customer services (i.e. training, training-related, support services, and billing and payment system for Child Care Services) are NOT to be included in the proposal budget. Such costs will be incorporated as part of any resulting contract(s) in conjunction with service level plans that will be negotiated during contract negotiations.
3. Contractors will be allowed no more than 4% of the total contract amount for administrative costs subject to cost allocation requirements for each funding program. Indirect costs may be charged to administration and programs if supported by appropriate documentation and in accordance with the TWC FMGC.
4. An indirect cost rate or overhead charge to be levied against the services to be provided under a contract issued pursuant to this RFP must be approved by a federal cognizant agency. All indirect charges are to be fully explained in the budget narrative. Indirect costs are capped at 5% of the total contract amount subject to negotiation and tied to the achievement of negotiated performance benchmarks. The payment of indirect costs will be negotiated as a separate item during contract negotiations.
5. Contractors must have a cost allocation plan, as required by regulations governing multiple funding sources and must not double bill for items to be charged to contracts with the Board. The cost allocation plan is a separate document from the approved indirect cost plan from a cognizant federal agency.
6. Profit is an allowable cost and capped at 8% of the total contracted amount. Profit is only available as a budget line item for a for-profit organization and will be a factor in the evaluation process. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the sub-contractor, the sub-contractor's investment, the amount of sub-contracting, the quality of its past performance record, industry profit rates in the surrounding

geographical area for similar work, and market conditions in the surrounding geographical area. For subsequent contract years, the amount of profit will be negotiated based on the following factors:

- a. Exceeding minimum standards for contracted federal and state performance measures;
 - b. Achieving satisfactory progress in a continuing focus on the integrated service delivery system that is currently in place by utilizing co-enrollment, assessments, and skill enhancements to provide customers with a high level of relevant service; and,
 - c. Meeting contractual expenditures, enrollment and program requirements, which includes satisfactory monitoring reviews.
7. A non-profit or governmental entity is not eligible to earn profit from a contract resulting from this RFP and will be required to turn over any profit (i.e. excess of revenues over expenses) at the end of each contract year.
 8. For subsequent contract years, a contractor will also have the option to earn incentive payments with the amount of the financial incentive subject to negotiation and payments used only for staff development and System Quality Improvement initiatives. Specific requirements for incentive pay will be identified during contract negotiations; however, criteria for eligibility will include staff training provided, grants obtained outside the scope of formula funding, and the number of partners recruited including MOU's, Letters of Agreement, or co-locations at Workforce centers.
 9. Final adjustments to indirect costs, administrative costs and profit will be made during contract negotiations once direct program participant costs have been determined.
 10. Offerors selected for award of a contract should be prepared to cover expenditures for start-up activities during the transition period.
 11. Financial systems must:
 - a. comply with generally accepted accounting principles (GAAP) and Texas Uniform Grant Management Standards (UGMS);
 - b. be sufficient to permit preparation of required reports;
 - c. permit the tracing of funds to a level of expenditure adequate to establish that funds have not been used in violation of applicable restrictions on use of such funds;
 - d. permit the tracing of program income, potential stand-in costs, and other funds;
 - e. designed to report contract costs as accruals or modified accruals.

2. A mandatory pre-proposal conference/conference call to explain, clarify and answer technical questions concerning this RFP is scheduled for Friday, April 29, 2022 at 10:00 a.m., via Zoom. Prospective offerors must notify the Board via the e-mail above and provide their contact number in order to receive the Zoom meeting information. The meeting information will also be posted on the Board's website.
3. The Board will accept written, e-mailed, and faxed questions prior to and at the pre-proposal conference. Questions asked during the conference will be answered in a question and answer publication to be released no later than May 6, 2022. Questions will not be accepted after the pre-proposal conference.

Proposal Deadline

1. All proposals must be received and recorded by the Board no later than 5:00 p.m. (CDST) on May 13, 2022. Official receipt of proposals submitted will be recorded electronically. A receipt form will be issued upon request.
2. Proposals received after the due date and time will not be accepted or considered under this procurement. No exceptions will be made to this requirement for any reason. The timely delivery of proposals is the sole responsibility of the offeror. Proposals submitted by any other means than that listed under **Proposal Submission** will not be accepted.
3. Any modifications or amendments to a proposal must also comply with the above requirements and response deadline. An offeror may withdraw a proposal at any time during the procurement process by submitting a written request to Erin Rea, Procurements Officer, 1500 Broadway, Ste 800, Lubbock, Texas 79401.

Required Format

1. Format: Proposals must be typed in a 12-point font, single-spaced, with a 1" margin on all sides on an 8 1/2 x 11-inch formatted Word document. Each page of the proposal should be sequentially numbered and should include the name of the offeror in the footer of each page.
2. Page Limit: The narrative portion of each section of the proposal must be no more than 20 pages, excluding the required attachments. Pages in excess of the 20-page limit will not be reviewed. Materials not specifically requested will not be reviewed.
3. Financial audits must accompany the proposal.
4. Offerors that fail to follow the requirements set forth in this document regarding page limits and format may be considered non-responsive.
5. Offerors should provide contact information for the individual(s) who can respond to questions regarding the proposal on the Proposal Cover Sheet to be provided on the Board's [website](#). The contact person should be knowledgeable of the proposal and be authorized to provide information on behalf of the offeror.
6. Each offeror should submit an Offeror's Profile narrative along with a narrative for the services the offeror is proposing to provide to be considered responsive to this RFP. Only one Offeror's Profile is required regardless of the number of service proposals being submitted. All information required to develop the offeror's profile and service proposal narrative(s) is contained in Sections III through VII of this RFP.
7. Budget forms and certification forms are streamlined to accommodate the various facets of service provider operations and should be completed as provided. Submission of altered forms may result in disqualification.

Proposal Submission

1. Proposals including all attachments must be uploaded through the secure links provided on the Board's [website](#).
2. The proposal and all required assurances and certifications will be signed electronically via the links on the Board's website.
3. All proposals must be received and recorded by the Board no later than 5:00 p.m. (CDST) on May 13, 2022. Official receipt of proposals submitted will be recorded electronically. A receipt form will be issued upon request.
4. It is recommended that you submit your proposal at least 4 hours prior to the deadline to allow yourself time for troubleshooting.

Qualified Offerors

1. Eligible organizations include public entities, community-based organizations, faith-based organizations, non-profit organizations, private-for-profit corporations, and other qualified providers.
2. Under Texas House Bill 1863 and the Texas Government Code, the Board is prohibited from entering into a contract for the management and operation of workforce career centers with any entity that provides workforce education or workforce training services. The Board is also prohibited from awarding a contract to a party excluded from federal procurement or non-procurement programs by the U.S. General Services Administration or any entity that has outstanding Unemployment Insurance balance payable to the State of Texas or any corporation that is delinquent in its franchise tax payments to the State of Texas.
3. Minority and women-owned businesses are encouraged to respond to this RFP. Historically-underutilized (HUB) businesses certified by the Texas Office of the Comptroller will receive a 5-point preference in the evaluation process. To apply for certification, visit the [Texas Comptroller's website](#). Current certification of such status must be included in the proposal submission if the offeror requests that HUB status be considered during the evaluation process.
4. Offerors will be asked to provide evidence that they are legally organized and authorized to do business in the State of Texas.
5. Offerors must have the technical competence, administrative capacity, management and administrative skills, program experience and expertise, fiscal management systems, and the financial resources and stability to accomplish the work of this RFP and meet high standards of public service and fiduciary responsibility. Offerors will be expected to demonstrate the capability to provide service delivery for all customer groups at current levels and effectively incorporate the Board's stated priorities.
6. The offeror's authorized signatory must sign all signature documents in the proposal. This individual should typically be the director, president or chief executive officer of the organization or any individual who has the authority to negotiate and enter into and sign contracts on behalf of the offeror.
7. A consortium or partnership of eligible offerors may submit a proposal. All partners must be eligible offerors and a signed certification must be obtained from each partner attesting to their agreement to all the terms of the proposal and any resulting contract, if awarded. Proposals from partnerships or consortiums must clearly identify the lead agency, the fiscal agent and the specific responsibilities of each partner. A copy of the partnership/consortium agreement must be submitted as part of the proposal and documents are subject to review by the Board's legal counsel. Proposals may be deemed non-responsive if legal documents are not presented for review, if they do not pass legal review or if they are not legally binding.
8. Any subcontracting must be clearly identified in the proposal narrative and approval must be provided by the Board prior to contract execution. All subcontracting is subject to applicable federal,

state and local laws, rules, regulations and policies governing procurement. If the offeror currently subcontracts certain functions or activities and intends to do so as part of this proposal, the subcontract must be identified, and a certification included from the subcontractor attesting to their agreement to the terms of the proposal and any resulting contract. The offeror must indicate which services and activities will be subcontracted and the rationale behind using subcontractors instead of providing the services directly. The offeror must also describe how subcontractors were (or will be) procured and selected, their qualifications, as well as the basis for payments. Note that subcontracting is not allowed for CCS. Subcontractors are subject to the same requirements as the offeror under this RFP and resultant contract.

Evaluation and Award Process:

1. An initial review will be conducted to test for responsiveness and compliance with the technical specifications and other criteria specified in the RFP. Proposals that do not include the required documentation specified in the instructions given for preparation of the offeror's profile or the service proposal(s) and/or do not comply with the guidelines specified in these "Proposal Submission Guidelines", will be considered non-responsive;
2. Responsive proposals will be evaluated and scored by an independent team of reviewers contracted for this purpose with all reviewers using the same standardized instrument. Reviewers will evaluate proposals based on offeror's responses to the questions included in the Offeror's Profile or service component proposal narrative(s). The scoring criteria to be used to evaluate the Offeror Profile and each service proposal, along with the points applicable to each, are provided in the instructions for each in Sections III through IV.
3. Evaluations will combine the Offeror's Profile score and service proposal score to obtain a cumulative total score for each offeror for each service component. Offeror's achieving a score below seventy percent (70%) of available points on the Offeror's Profile or on any one of the service proposals will be considered nonresponsive and will not be reviewed. The decision for contracting will be determined by a cumulative point total for each response consisting of an Offeror's Profile plus service component based on a 60/40 ratio (i.e. (Offeror's Profile score * 60%) + (Service proposal narrative score * 40%) = cumulative total score).
4. A review of the results of the independent evaluations will be conducted by Board staff;
5. Board staff will present the outcome of the evaluations and make a recommendation to the Board of Directors;
6. At their discretion, the committee may request that the offerors make an oral presentation to the committee or to the full Board. If the committee elects to request oral presentations, offerors will be notified of the date, time and place in adequate time to allow development of a presentation.

Debriefings and Appeals:

1. The Board is the responsible authority for handling complaints or protests regarding the proposal review and selection process. This includes, but is not limited to, disputes, claims, protests of award or non-selection for award, or other matters of a contractual or procurement nature. Matters concerning violation of law shall be referred to such authority, as may have proper jurisdiction.
2. Offerors will be notified as soon as possible if the proposal is found to be unresponsive and will not be considered. Once the Workforce Solutions Board of Directors has agreed upon selection(s), all offerors will be notified in writing of the results within ten (10) working days of the decision.
3. Any unsuccessful offeror has the option to protest the procurement decision. Complaints or protests must be submitted in writing by registered mail to Director of Operations, Workforce Solutions South Plains, 1500 Broadway, Ste. 800, Lubbock, Texas, 79401. A clear statement of the complaint or protest and the reason(s) or grounds must be made. Protests must be received by the Board within 14 calendar days of the mailing date of the notification of non-selection. An acknowledgment of receipt

of the protest will be provided to the protestor along with specific instructions and dates for the protest process. Except for complaints alleging fraud or criminal activity, complaints shall be made within one year of the alleged occurrence.

4. The protesting party is first given an opportunity for an informal review of the evaluation, ranking and selection process with the Board staff. This review is designed to allow the protesting party an opportunity to examine documentation related to the procurement, understand the reasons for their evaluation score, and provide them with information that may allow them to prepare a more successful response in future solicitations. The objective of this informal review is to provide an opportunity for resolution and avoid, if possible, the need for a formal hearing.
5. If after the informal review, the protesting party is not satisfied, a formal hearing will be scheduled. Hearings shall be conducted within thirty (30) days of the filing of a protest and decisions shall be made not later than sixty (60) days after such filing. Protests not resolved to the satisfaction of the protesting party may be pursued through the Texas Workforce Commission.
6. Offerors not selected for award of a contract may receive a debriefing to determine the reasons for non-selection if the debriefing is requested in writing to the contact person for this procurement, and the request is made within thirty (30) days of the date the notice of non-selection is postmarked.

Governing Provisions and Limitations:

1. Offerors shall not, under penalty of law, offer or provide any gratuities, favors or anything of monetary value to any officer, board member, employee, proposal evaluator, or agent of the Board or elected official for purposes of having an influencing effect on this procurement. Offerors shall not attempt in any manner to advocate for, lobby or otherwise attempt to influence any officer, board member, employee, proposal evaluator, or agent of the Board or elected official for purposes of having an influencing effect on this procurement.
2. No officer, board member, employee, proposal evaluator, or agent of the Board shall participate in the selection, award or administration of a contract supported by workforce development funds if a conflict of interest, or potential conflict, is involved.
3. Offerors shall not engage in any activity that will restrict or eliminate competition. Violation of this provision may cause an offeror's proposal to be disqualified and rejected. This does not preclude joint ventures or subcontracts.
4. All proposals submitted must be an original work product of the offeror. The copying, paraphrasing or other use of substantial portions of the work product of another party and submitted hereunder as original work of the offeror is not permitted. Failure to adhere to this instruction may cause the proposal to be disqualified and rejected.
5. The contents of a successful proposal may become a contractual obligation if selected for the award of a contract. Failure of an offeror to accept this obligation may result in cancellation of an award. No plea of error or mistake shall be available to successful offerors as a basis for release from proposed services at the stated price/cost. Any damages accruing to the Board as a result of a successful offeror's failure to contract may be recovered from the offeror.
6. A contract with a selected offeror may be withheld, at the sole discretion of the Board, if issues of contract or questions of non-compliance, questioned/disallowed costs, audit/monitoring findings or legal issues exist, until such issues are satisfactorily resolved. The Board may withdraw the award of a contract if the resolution is not satisfactory to the Board.
7. The Board reserves the right to:
 - a. award from one to three contracts as a result of this RFP for any combination of services as necessary to obtain the best value for the State;
 - b. accept or reject any or all proposals received, to cancel or reissue this RFP in part, or its entirety;

- c. extend, shorten, increase or decrease any contract awarded as a result of this RFP;
 - d. contact any individual, agency, employer or granting agencies listed in a proposal, contact others who may have experience and/or knowledge of the offeror's relevant performance and/or qualifications;
 - e. request additional information from any and all offerors to obtain clarification of or explanation for any aspect of a response to this RFP;
 - f. waive any defect in this procurement process or to correct any error(s) and/or make changes to this solicitation it deems necessary;
 - g. negotiate the final terms of any and all contracts or agreements with selected offerors and any such terms negotiated as a result of this RFP may be renegotiated and/or amended in order to successfully meet the needs of the South Plains Area;
 - h. conduct on-site reviews of records, systems, procedures, including credit and criminal background checks, etc., of any entity selected for funding under this RFP either before or after the award of a contract or agreement;
 - i. cancel any contract or agreement awarded if there is found to be misrepresentation of the offeror's ability to perform as stated in the offeror's proposal.
8. Offers must be valid for a period of 90 days following the date and time designated for receipt of proposals and may not be withdrawn or canceled during that period without the written permission of the Board. A certification to this effect must be submitted with the offeror's proposal along with Certifications and Assurances as Attachment 19.
 9. Any entity selected for funding under this RFP will be subject to Administrative Management and Fiscal and Financial Responsibility pre-award reviews. This may include but not be limited to a review of the offeror's record keeping procedures, management systems, accounting and administrative systems and procedures. Pre-award reviews will occur prior to contract negotiations.
 10. Any entity selected for funding under this RFP will be expected to submit an operational business/service plan addressing the items that are important to the Board in achieving its goals prior to contract award. Format will be provided prior to contract negotiations.

Contract Terms and Related Contract Provisions

1. Any contract(s) funded as a result of this RFP will incorporate master contract terms. By submitting a proposal, offerors agree to be bound by the master contract terms if the proposal is successful and results in an offer to contract with the Board. Contract terms that may impact the development of a proposal(s) are listed below for the offeror's convenience.
2. Contractors will be considered sub-recipients as defined in the UGMS and the TWC FMGC. The Board may refer to the agreement between itself and the service organization as a "grant" or "contract", although it will be understood to be a sub-grant for services, and all federal or state requirements applicable to sub-recipients will apply to Board contractors.
3. Contractors must comply with applicable cost principles and administrative requirements set out in federal OMB Circulars A-21, A-87, A-102, A-122, and 48 CFR Chapter 1, Part 31, as supplemented by final rules promulgated by the Texas Office of the Governor under the UGMS and TWC's FMGC.
4. Contractors will be subject to compliance monitoring. At any time during normal business hours, and as often as deemed necessary, the Board, TWC, U.S. Department of Labor, or any of their duly authorized representatives shall have complete access to any books, invoices, payrolls, time sheets, or any other records or papers which are related to a contract resulting from this RFP for the purpose of verifying contractual, program and financial compliance with all applicable laws, rules, regulations and policies.
5. The Board will conduct a Risk Assessment to determine if a prospective or renewing Contractor might be high-risk. The Board reserves the right to impose increased monitoring requirements on a Contractor identified as high-risk based on the Board's Risk Assessment Plan.

6. Contractors must have an annual audit made in accordance with the Single Audit Act of 1984, as amended, and OMB Circular A-133, or in accordance with federal laws and regulations governing programs. A contractor may arrange for a single, organization-wide audit of its programs that will include a financial and compliance audit of state or federally funded programs under the Board's contract, provided it is consistent with the criteria found in the TWC's FMGC, and the Board agrees prior to the audit process.
7. The Board reserves the right to conduct or cause to be conducted an independent audit of all funds received under a Board contract, notwithstanding the requirements above. The audit may be performed by a local government audit staff, a certified public accounting firm, or other auditors that the Board designates. Such audit will be conducted in accordance with applicable federal rules and regulations, contractual guidelines, and established professional standards and practices. Offerors must submit copies of their organization's audits for the current and two prior fiscal years as Attachment 10 to their proposal.
8. Contractors must obtain a fidelity bond that indemnifies the Board and TWC against loss arising from a fraudulent or dishonest act of the contractor's officers and employees holding positions of fiduciary trust; i.e., individuals responsible for receiving or depositing agency funds, or issuing financial documents, checks or other instruments of payment. The contractor must be the insured entity and the Board must be the assigned certificate holder. The contractor must submit the bond to the Board within 15 calendar days of the contract start date. Failure to do so may result in termination of the contract. Under no circumstances will the Board disburse to the contractor an amount of cash that exceeds the coverage provided by the fidelity bond that is on file with the Agency. The fidelity bond must be in an amount that is sufficient to cover the largest cumulative amount of all cash requests submitted on a given day or the cumulative amount of funds on hand at any given point. Such amount will be determined based on cumulative amounts drawn during any consecutive three-day period for single or multiple funding sources. If the amount secured by the Board's fidelity bond is 'sufficient to cover the largest cumulative amount of all cash requests submitted on a given day or the cumulative amount of funds on hand at any given point,' but is less than ten percent of the funds subject to the contractor's control, the difference must be secured through bonds, insurance, escrow accounts, cash on deposit, or other methods in accordance with the requirements of 40 TAC §801.54;
9. The Board will conduct a fiscal integrity evaluation of the prospective or renewing workforce service contractor's prior three-year financial history in accordance with 40 TAC §801.54(a). If the contractor is determined to be high-risk, the Board reserves the right to require that a percentage higher than 10 per cent of funds be secured through bonds, insurance, escrow accounts, cash on deposit, or other methods.
10. Contractors will be required to procure all insurances required by this RFP as described in the Chart of Required Insurance included herein as Attachment 13. All policies should list the Board as an additional insured. Contractors will be required to submit certificates of insurance coverage prior to the commencement of any work pursuant to a contract executed as a result of this RFP. Any actual losses that occur during the performance of a contract that could have been covered by permissible insurance are unallowable, unless expressly provided for in the contract.
11. If a contractor warrants that it is self-insured, for instance in the case of a State Agency, then the contractor must be able to pay any obligation that incurs under the terms of a contract resulting from this RFP, including any liability, which may arise from performance under a contract.
12. All workforce supplies and services procured by the contractor must be procured in compliance with the FMGC. The Board will be responsible for procuring and purchasing all Workforce Solutions System equipment, furniture, technology, hardware, janitorial services, etc.

13. All non-expendable property purchased under a contract resulting from this RFP shall be the property of the Board. Purchases of property must comply with Board policies and may require prior review and approval from the Board and TWC.
14. Upon award, successful offerors will be required to develop a written transition plan that addresses a timetable for transition to service delivery that incorporates Board priorities. If applicable, this plan will be developed in coordination with the exiting contractor and the timetable must also include the transfer of program-funded property, client records, assumption of or release from obligations, continuity of service delivery, and any preferences to be provided for hiring of current contractor staff. Such a plan must be submitted to the Board prior to contract execution.
15. In the event of a transition, contractors may choose to give first consideration to current Workforce Solutions Center staff in filling Workforce Solutions Center positions. If the contractor does not hire all current staff or retain staff through a professional employment organization, the contractor will be responsible for coordinating with the employer of record for such staff to ensure compliance with their personnel policies in making such a transition. In the event of a transition and a reduction of staff, the Board shall carefully oversee the process to ensure that there is no loss of service or reduction of quality.
16. Contractors will have limited management authority over State and partner staff located within the Workforce Solutions Centers. Employer-employee relationships will be governed by the Texas Model agreement between the Board and the TWC. Employees of TWC will be governed by and entitled to the protection and rights of all State and federal employment laws and regulations, the policies and procedures set forth in the TWC General Administration and Personnel Manuals. The contractor shall ensure that such staff are integrated into the overall delivery of services in the workforce career centers. There are currently nine (9) TWC Employment Services staff assigned to the Workforce Solutions South Plains Career Centers.
17. Contractors will coordinate with State agencies and partners currently co-located at the one-stop centers including TWC staff, two (2) Texas Veterans Commission staff, Job Corp. staff, and thirty (30) Vocational Rehabilitation staff.
18. Contractors must ensure that senior management for this contract will be full-time (100% FTE) and solely dedicated to this contract, based in the Lubbock one-stop center, and have the authority and autonomy to serve as a single point of contact for day-to-day operations.
19. Contractors will be responsible for ensuring that their employees, subcontractor's employees, or partner-agency employees who are engaged in service delivery are properly trained to effectively carry out all activities described in this RFP. On-going staff training will ensure that staff is kept abreast of all new information and processes to effectively run a comprehensive and efficient operation. Individuals hired should possess the necessary skill sets and/or certifications to guide, counsel and direct service strategies for eligible participants. At a minimum, contractors must have Spanish-speaking personnel on staff and must have access to translators of languages that reflect the applicable demography of the region. Case managers must be knowledgeable of the career development and training resources available in the WDA both internally and externally to enhance services provided to all customers.
20. Contractors will be required to input and update data on Workforce Solutions Center customers and program participants into TWIST, the state job matching system WIT, or other data systems as required by the Board, TWC or other funding sources. Data represents the case file to be maintained for every registered jobseeker or employer customer. The data is used to generate reports and information that TWC and Boards use to manage, monitor, and assess performance. Documents such as customer eligibility documents, correspondence, documents requiring participant's signatures and

documentation of required participation hours must be maintained in case folders in hard copy in accordance with local Board and TWC policies.

21. The contractor's Management Information Systems (MIS) and ability to respond to the Board's data needs will be a significant element in the evaluation of successful proposals. Offerors will be asked to describe MIS systems currently used or to be used in the performance of a workforce contract as part of the narrative and the Administrative Management Survey to be submitted with the offeror's proposal.
22. Contractors must develop and implement strong data integrity initiatives to ensure the timely, complete, and accurate entry of customer data and implement procedures for the routine and systematic review of customer data to ensure the timely, complete, and accurate entry of the data. Evidence of organizational policies and procedures designed to maintain high quality and consistent customer data will be a factor in the evaluation of proposals.
23. Contractors will be responsible for accurate reporting of workforce development and/or business services activities provided to clients along with client outcomes through the Texas Workforce Information System of Texas (TWIST) and/or WorkinTexas.com (WIT). Performance targets are set by TWC and officially listed in the Texas Workforce Commission Monthly Performance Report (MPR). The Board's performance on each measure as compared to established targets will be assessed and reported monthly through the MPR. TWC revises performance measures periodically. The Board may add additional performance measures over and above those required by TWC to meet specific program goals.
24. Contractors will also be required to protect client confidentiality and ensure the security of client data in hard copy and/or electronic files and must certify compliance by 1) submitting evidence of completion of required Information Technology (IT) Security training and 2) submitting signed certifications for each employee or subcontractor who is granted access to the Board's automated and paper record systems.
25. Contractors will be required to maintain the following record systems:
 - i. automated and/or paper records of customer activity;
 - ii. financial management;
 - iii. property;
 - iv. procurement;
 - v. plans, including technical assistance, corrective action and strategic plans;
 - vi. policies and procedures;
 - vii. internal and external monitoring evaluations; and,
 - viii. system performance.
26. The format, frequency and due date of system performance, financial, or other reports to be submitted by the contractor on a regular or ad hoc basis will be determined by the Board.
27. Program records and financial management records, which support and document all expenditures of funds made under this Contract must be maintained based on the retention and custodial requirements for records in the TWC FMGC and 40 TAC §805.212, as amended. All fiscal records and supporting documents shall be maintained for a minimum of three (3) years after final contract closeout unless otherwise specified in the contract. In the event there is an unresolved audit discrepancy at the end of such retention period, the records will be retained until the discrepancy is resolved. In the event of termination of the contract, the Board shall have the right to take responsibility for maintenance and retention of the records and records shall be transmitted to the Board in an acceptable condition for storage. Notwithstanding the foregoing, the contractor shall have the right to maintain copies of any such records and documents it deems necessary to preserve or defend contractor's rights. The United States Department of Labor, the United States Department of Health and Human Services, the United States Department of Agriculture, the Comptroller General of the United States, the General Accounting Office, the Auditor of the State of Texas, other state and federal auditing agencies, the

Commission, or any of their duly authorized representatives, and the Board shall have unrestricted access to and the right to examine, copy or mechanically reproduce, all reports, books, papers, documents, automated data systems and other records pertaining to this contract during normal business hours. Such rights to access shall continue as long as the records are retained by the contractor. Oversight entities shall have the right to timely and reasonable access to the contractor and subcontractor, existing for the purposes of accomplishing the goals of this contract, premises and personnel for the purpose of inspection, monitoring, auditing, evaluation, or interview and discussion, related to all records required to be retained under this section.

28. Contractors must agree to comply with TWC and the Board's Fraud Plan, Policies and Procedures and must certify compliance by 1) submitting evidence of completion of required Fraud Prevention training and 2) submitting signed certifications for each employee or subcontractor who is granted access to the Board's IT, administrative and financial management systems.
29. Contractors will be required to participate fully in regular Board performance reviews and to provide evidence that they have reviewed and analyzed the performance information on an on-going basis. Contractors must demonstrate that the performance feedback received from the Board is used regularly as a management tool as evidence of compliance with the commitment to continuous improvement. Contractors must also demonstrate that the reports and performance results are shared with the appropriate staff. Contractor's individual performance statistics will be evaluated and should meet or exceed the performance targets throughout the performance period.
30. Contractors performing at or below the contract level on any individual performance measure will be subject to corrective actions including intensive technical assistance and thorough assessment of the causes of the low performance; development and implementation of appropriate Corrective Action Plan(s) to raise performance; and close monitoring of subsequent performance to assess the impact of the corrective action plan(s). Contractor's performance trends and Contractor's full attention to corrective action plans will be critical to decisions regarding contract renewal. Failure to achieve the goals set forth in the corrective action plan may result in penalties, which may include but not be limited to the following:
 - i. The development and implementation of a formal corrective action plan to address weaknesses;
 - ii. Obtainment of technical, management, and/or quality assurance assistance;
 - iii. Designated as a high-risk entity requiring intensive monitoring and, potentially, increased fidelity bonding;
 - iv. Implementation of a reorganization plan;
 - v. Restriction on funds;
 - vi. Delay, suspension or denial of contracted payments;
 - vii. Contract cancellation or termination.
31. Contractors must agree to cooperate with the Board in the development and implementation of partnerships and collaborations with community partners in coordinating Workforce Solutions Center programs and services and providing a broad range of client services and maximization of local resources. At a minimum, this includes cooperation and coordination as may be requested or required by the Board under any Memorandum of Understanding (MOU) or other agreement entered into by the Board with required workforce center partners.
32. Contractors will be responsible for maintaining Workforce Solutions Center certifications issued by the Texas Workforce Commission and assisting the Board in obtaining certification of any new facilities.
33. Contractors will ensure that the public shall have access to local Workforce development services provided through Workforce Solutions Centers, at a minimum from Monday through Friday between the hours of 8:00 a.m. to 5:00 p.m., not including official Board or federal holidays, and at such other

- times as the Board deems necessary to meet local demand for services. The Board may negotiate for extended service hours at any of the Workforce Solutions Center locations.
34. Contractors may not charge individuals eligible for Workforce programs a fee for any service. If an offeror proposes to charge fees for non-eligible individuals or outside organizations (i.e. fee-for-service), the service and fee structure must be fully described in the narrative. The Board reserves the right to retain all or a portion of the income generated from such activities.
 35. Contractors must house staff in the Workforce Solutions Administrative Offices and existing Workforce centers. If an offeror proposes to house staff at other sites in the region, the Board and contractor will negotiate the cost and sufficient funds shall be withheld from the allocation to cover such costs.
 36. During the contract period, the number and locations of Workforce Solutions Centers and the types and levels of services to be provided are subject to change. Contractors will be required to work with the Board on any expansion, change or alteration to the Workforce Solutions Center system or individual centers that may occur during the term of a contract. As of July 2018, the Workforce Solutions South Plains Career Center will be housed in a new location: 2002 West Loop 289, Lubbock, TX, 79407.
 37. Contractors must agree to comply with TWC and the Board's marketing guidelines and policies.

Offeror's Profile

The Offeror's Profile is a position statement regarding your capabilities to effectively operate the Workforce Solutions Child Care Services operations. Most importantly, the Offeror's Profile is an offer to become a partner with the Board to maintain and expand the workforce system in the South Plains Region as a provider of services. A successful response to this RFP will reflect the offeror's understanding of the guiding principles and priorities for the one-stop delivery system envisioned by the U. S. Department of Labor:

- ✓ **Universality:** Services must be available for everyone – all workers and employers. The system should offer something for everyone from highly skilled individuals to new workforce entrants, from major corporations to small businesses.
- ✓ **Customer Choice:** All customers must be informed and aware of the choices and opportunities that exist for employment, education and training, both those services provided directly through the Workforce center system and those available through community partners.
- ✓ **Integration:** Customers should be able to enter the system through multiple access points, yet it should feel like a single system. There should be no separate identification of programs or agencies.
- ✓ **Performance-driven and Outcome-based:** The system must be accountable for achieving the outcome of a skilled workforce. Customer feedback, quantitative and qualitative data should be used to measure success and serve as the foundation of continuous improvement activities.

Performance Standards and Expectations:

The successful offeror will organize and operate a service delivery system that is fully aligned with the guiding principles and Board priorities and capable of providing program services throughout the South Plains WDA. Contractors are expected to employ and/or collaborate in creative and innovative strategies that incorporate the following priorities:

- ✓ **Integration of common program tasks and processes** in order to enhance operational efficiency and facilitate customer access to needed services.

- ✓ Co-enrollment of individuals in programs for which they are eligible in order to leverage resources and provide a more complete package of services.
- ✓ Development of other operational efficiencies to reduce expenditures to the most efficient and effective level consistent with program work requirements.
- ✓ Effective outreach to low-income parents receiving child care subsidies and other high priority populations for potential enrollment in training and other services that would increase their self-sufficiency.
- ✓ Collaborative arrangements to facilitate increased itinerant services and technology to enhance the variety and level of services available in rural counties and communities.
- ✓ Development of service offerings that support area economic development organizations and educational institutions in their efforts to sustain existing businesses and attract new companies.

Proposal for Management and Operation of Child Care Services

The services and activities being sought by the Board are the management and operation of Child Care Services (CCS) to include staffing and direct child care services to eligible families and children throughout the 15-county South Plains region. Management of the CCS Program will include the coordination and day-to-day direction of CCS program staff that are located within the centers. Selected provider(s) will be required to coordinate recruitment/eligibility determination and co-enrollment at Workforce Solutions Career Centers.

A pivotal piece of the Workforce Solutions system network is the delivery of subsidized child care services to eligible individuals. Child care -- as an integral component to training and employment -- is provided to help participants attain self-sufficiency. The Board currently oversees and manages over \$8 Million dollars in child care funds for the 15-county area of the South Plains. Objectives include:

- ✓ Providing families an expanded choice of high-quality, accessible and affordable child care arrangements;
- ✓ Providing local communities with a focal point for the coordination of services to families and children;
- ✓ Providing families an identifiable source of child care information and assistance; and,
- ✓ Providing child care providers with the information and resources needed for quality improvement.

Target populations and related funding sources for child care services:

- Children of Choices participants-recipients of Temporary Assistance for Needy Families (TANF) - Funded by Child Care and Development Fund (CCDF);
 - Children of parents eligible for transitional child care – Funded by CCDF;
 - Children of Supplemental Nutrition Assistance Program Employment and Training participants – Supplemental Nutrition Assistance Program Employment and Training Funds.
 - Children of Workforce Orientation Applicants – Funded by CCDF;
 - Children whose parents are involved with Texas Department of Family and Protective Services (TDFPS), Child Protective Services – Funded by Title 20 of the Social Services Block Grant, Child Protective Services;
 - Children of Income Eligible (low income) Families – funded by CCDF and Title 20;
 - Children of Workforce Innovation and Opportunity Act participants - funded by WIOA supportive services;
- Children placed in foster care – Funded by a combination of State and State-matched federal funds from Title IV-E of the Social Services Block Grant.

CCS Program Monitoring

The CCS Contractor will be evaluated and monitored by the Board or its designee, TWC, and/or grant funding sources. The basis used to assess performance will be the contract, TWC Child Care rules, and the policies of the Board. The Board will evaluate the success of the contractor based upon performance indicators that relate to and accurately measure the program's effectiveness. These performance indicators will be used to determine the contractor's progress and year-end performance. These results will be used to establish plans for providing technical assistance and training, corrective action, and/or to continue or terminate the contract.

These indicators may include, but are not limited to the following:

- ✓ Provider Agreement Maintenance - The contractor must attain a 95% standard performance level for maintaining valid provider agreements.

- ✓ Provider Monitoring - The contractor must attain a 95% standard performance level for the appropriate monitoring of providers.
- ✓ Provider Rate - The contractor must attain a 95% standard performance level for the appropriate provider rate documentation.
- ✓ Enrollment Management – The Contractor will be responsible for effectively managing enrollment numbers to successfully meet required performance standards and to efficiently utilize child care funds.
- ✓ Quality Improvement – Pursuant to the Quality Improvement Act, (House Bill 376), a minimum of 2% of the annual Child Care Services allocation must be used for quality child care initiatives. The contractor will be responsible for Quality funding.

Performance Standards

Childcare Services contractors are required to deliver services in accordance with all specific program components, service levels and performance standards. Contractor performance includes but is not limited to meeting all general program requirements, approved scope of work, and performance measures and enrollment plans. Contractors agree that lack of compliance with any of these may constitute grounds to reduce Contractor’s payment level and budget. The Board, and/or Federal and State grantor funding sources may establish additional standards for recruiting new providers and mentoring for improvement in quality of care. These measures may be incorporated into the contract during negotiation, or subsequently if required by law.

Service Proposal Narrative

Offerors are asked to identify the resources necessary to make the system successful – those requested from the Board and those provided by the offeror. The proposal narrative should include each of the following elements of information. *If the question does not apply, a statement to that effect should be included.* Please restate each question along with your response. The narrative should be no more than 20 pages in length, not including attachments. Any information submitted along with the profile narrative or with the attachments that is not specifically requested will not be reviewed. Attachments should be submitted via the instructions in the **Attachment Checklist** section below. If an attachment is not applicable, please upload a document stating that it is not applicable. Missing attachments may result in disqualification.

Insurance and bonding requirements

Offerors should complete the chart and indicate the level of current or proposed coverage for each type of coverage. If a proposer plans to provide additional coverage, please include such coverage and provide a brief explanation. If a proposer does not plan to provide coverage for any area, please provide an explanation. Proof of insurance is not a requirement for submission of a proposal, however, offerors should be aware that no activities may begin under contract through the Board until the required insurance has been obtained and proper certificates (or policies) are filed with the Board.

Before submitting a proposal, the offeror should contact its insurance agent to determine if the required coverage can be obtained. The selected contractor will be required to provide a certificate of insurance prior to the commencement of work under this contract certifying that the minimum coverage identified below will remain in force during the life of this contract. Except for workers compensation and accident/injury policies, each policy shall name the Board as an additional insured or loss payee, as applicable. No funds will be disbursed until proof of coverage, in the form of insurance or a binder is provided. The proposer should determine if there are added costs to include the Board as an additional insured and include such costs in the budget. For additional information regarding insurance requirements, refer to the FMGC Chapter 3.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE

Applicant/Contractor certifies that it will provide a drug free work place by:

- A. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the contractor's work place and specifying the actions that will be taken against employees for violation of such prohibition;
- B. Establishing a drug free awareness program to inform employees about:
 - 1. The dangers of drug abuse in the work place;
 - 2. The contractor's policy of maintaining a drug free work place;
 - 3. Any available drug counseling, rehabilitation, and employee assistance programs; and
 - 4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.
- C. Making it a requirement that each employee to be engaged in the performance of the contract be given a copy of the statement required by paragraph A;
- D. Notifying the employee in the statement required by paragraph A that, as a condition of employment under the contract, the employee will:
 - 1. Abide by the terms of the statement, and
 - 2. Notify the employer of any criminal drug statutes conviction for a violation occurring in the work place no later than five working days after such conviction.
- E. Notifying the South Plains Workforce Board within 5 days of receipt of notice from employee, under subparagraph D.2.
- F. Taking one of the following actions, within 30 days of receipt of notice under subparagraph D.2. with respect to any employee who is so convicted:
 - 1. Taking appropriate personnel action against such an employee, up to and including termination; or
 - 2. requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purpose by Federal, State, or local health, law enforcement, or other appropriate agency;
- G. Making a good faith effort to continue to maintain a drug free work place through implementation of paragraphs A, B, C, D, E, and F.
 - 1. Certification is a precondition of receiving a new contract after July 1, 1990.
 - 2. This policy does not require drug testing.
 - 3. Costs incurred to comply with the requirements of this policy are allowable costs under the contract.
 - 4. Contractors are not required to pay for rehabilitation programs for employees.
 - 5. The requirements of this policy must be in place and certification must be made to the Capital Area Workforce Board at the time that the contract is executed.
 - 6. Alcohol is not covered by this policy.

Contractor will provide a Drug Free Work Place in compliance with the Drug Free Work Place Act of 1988. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on the contractor's premises or any of its facilities. Any employee who violates this prohibition will be subject to disciplinary action up to and including termination. All employees, as a condition of employment, will comply with the policy.
